

How to find the Schwarz group @ Heidelberg University

To the right hand side you see a map of the **Neuenheimer Feld**, the science campus of Heidelberg University. If you cross the river Neckar from south to north on Berliner Strasse (red line), keep on going until you see the school building **Bunsengymnasium** on the right. Here is also the second tram station for the campus. Then turn left into the campus and pass one more crossing. Then the second (grey) building to the right is the **BIOQUANT-building**, street address *Im Neuenheimer Feld 267*. Right opposite there is a large parking lot. You find us in the first floor (European way) in rooms 161-164. Ulrich is in room 164, phone number 06221-54-51254.
